

GET CONNECTED... VOLUNTEER!

We invite you to get connected by volunteering this 2011-2012 school year! In addition to the generous financial donations made by parents each year, the Chickering families provide hundreds of volunteer hours as well. **We ask you to consider volunteering, allowing you to connect with your child and the Chickering Community as well.**

In order to support the services the PTO provides our children, we need your assistance. On this form there are volunteer opportunities that may begin in September and more information can be found on our **new website www.doverpto.org**! Please take a moment to familiarize yourself with the Volunteer Section on our website. **We are excited to offer you the ability to sign up online**, where you will see a yearlong calendar as well as descriptions of all the volunteer opportunities we have to offer. You will also have the ability to choose to receive email alerts when volunteer opportunities become available. How nice is that!

Please direct any questions to Siobhan Doherty (siobhan.doherty67@gmail.com) or X 1788

HERE ARE SOME OTHER WAYS YOU CAN GET INVOLVED:

> LIBRARY VOLUNTEERS

There are two types of volunteer opportunities in the Chickering Library. Both require that siblings remain at home:

1. First, you can choose a "behind the scenes" position by helping to re-shelve books before students arrive in the library each morning. **Help is needed every day (except Wednesdays) from 8:45-9:30am**

I can help twice a month monthly

Best Days for me are: Monday Tuesday Thursday Friday

2. Or, Kindergarten parents can join their child's class in the library each week to help familiarize children with the library computer system and provide general assistance to the librarians. This is a great way to get to know your child's kindergarten class.

Mrs. Disch (Monday 10:30-11:10am) Mrs. Boroff (Monday 11:15-11:55 am)

Mrs. Delaney (Friday 10:30-11:10 am) Mrs. Cohn (Friday 11:15-11:55 am)

I can help weekly semi-monthly monthly

> SCHOOL PICTURE DAY VOLUNTEERS: Thursday, September 22nd

Volunteer to assist the students and photographers as school pictures are taken.

- Early Morning Late Morning Early Afternoon

> PLAYGROUND VOLUNTEERS

We need parents who like to get outside and play with the kids! The children love it when the adults facilitate games, join in or simply cheer them on. It's also a great chance to meet your kids' friends and see them interact. Not sure what to do? We have a cart of playground toys with suggestions for games on index cards, or make up your own game. **Hey Dads and working parents...makes a nice lunch break if you're nearby!** Sorry, we're unable to have parents join the kindergarten classes or to have younger siblings participate.

11:00-11:35 (Grade 1) 12:00-12:40 (Grades 2 & 3) 12:45-1:25 (Grades 4 & 5)

I can help weekly semi-monthly monthly

Best Days for me are: Monday Tuesday Thursday Friday

> WASTE FREE LUNCH (Fridays 11:00- 1:30pm)

Do you wonder what happens at lunchtime? This is your opportunity to connect with your child and help them and their friends sort, compost and recycle lunch waste. We are looking for parents to volunteer one time or once a month or every Friday throughout the school year with this task.
